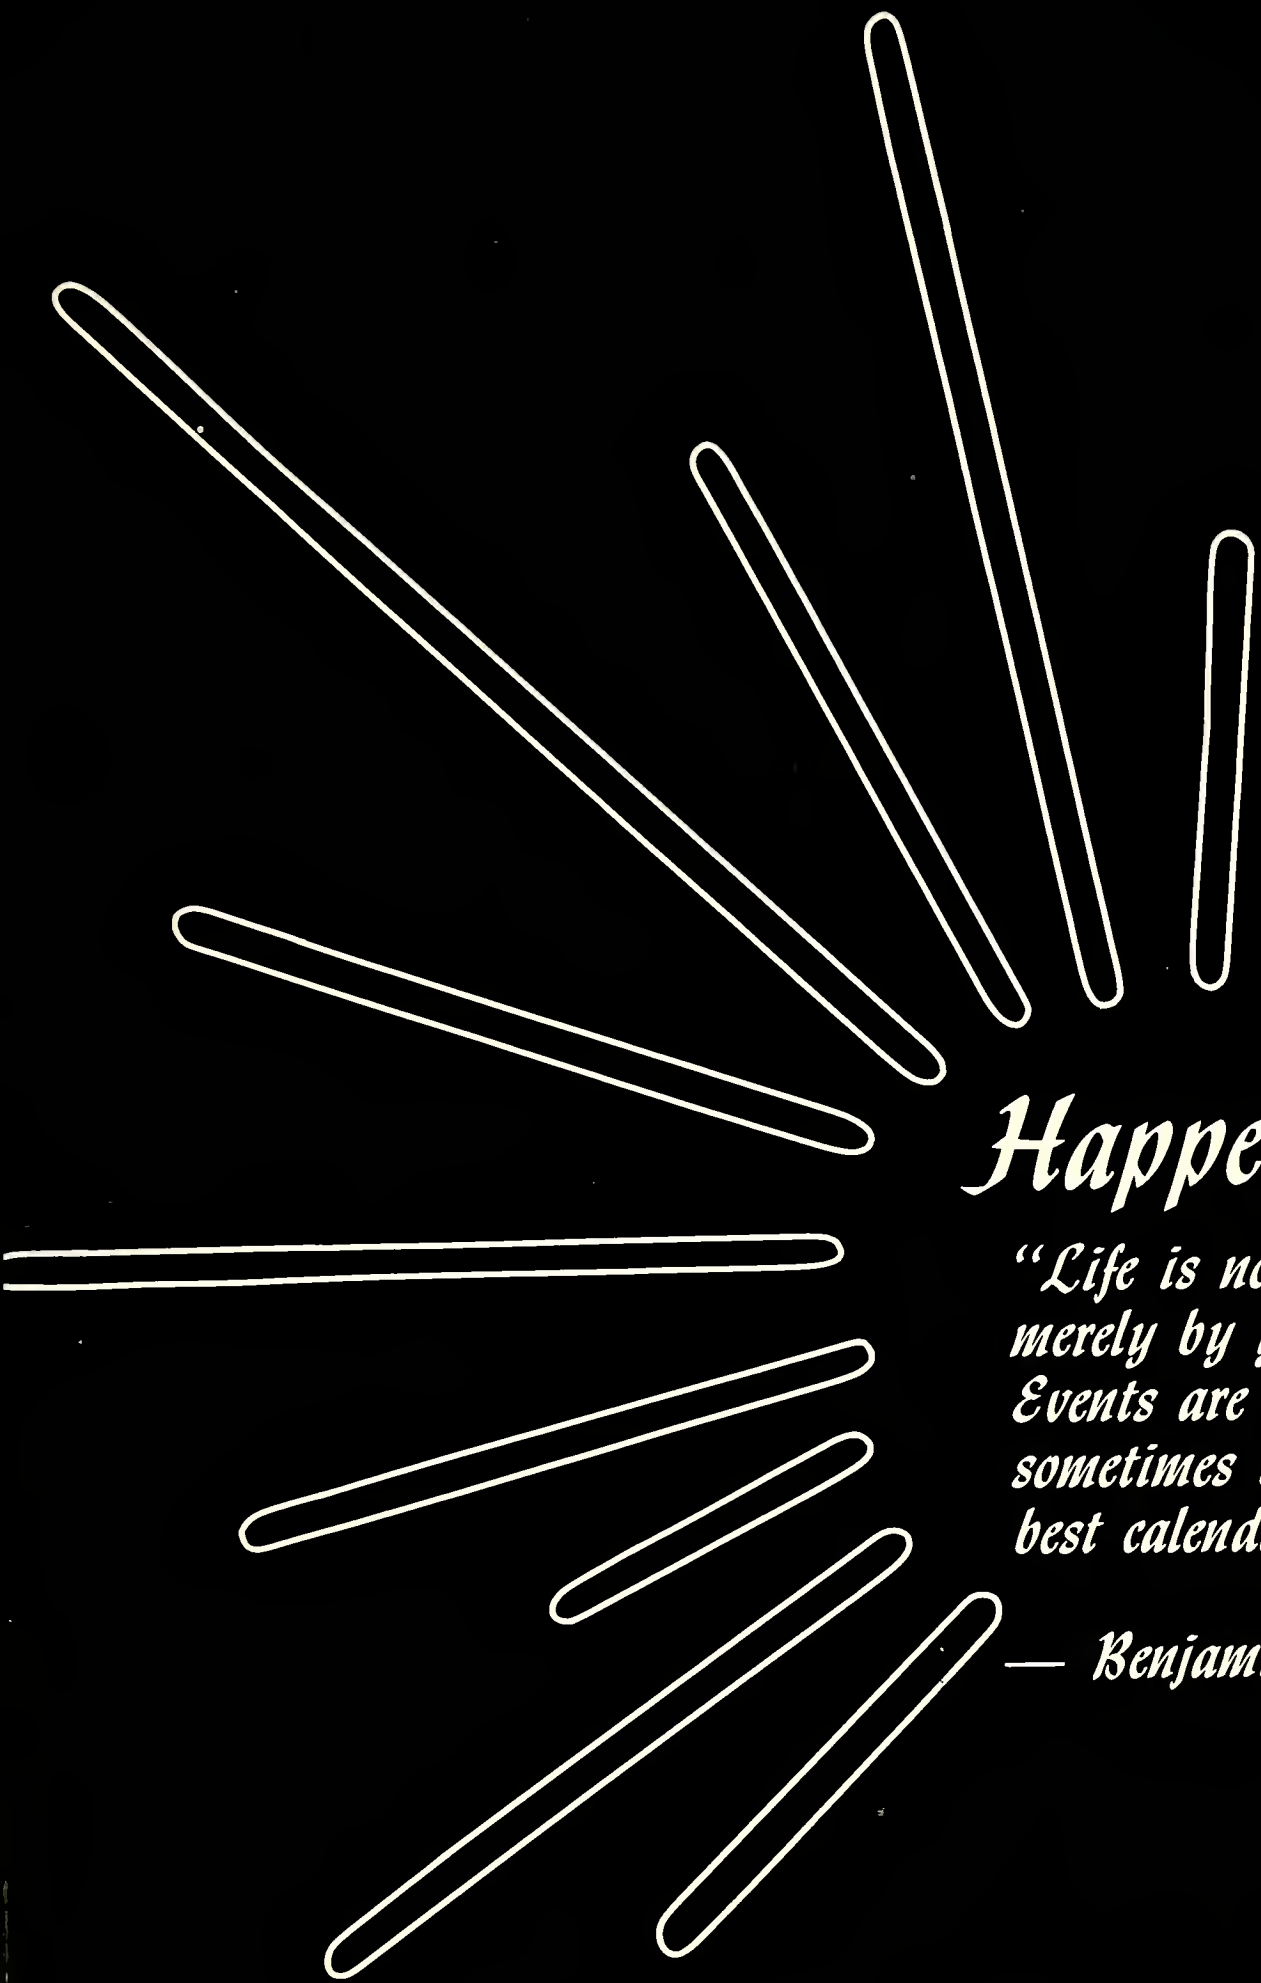
From the very first time a person sets foot on Pfeiffer campus, he is aware that here he will find something he has never known before . . . and when he leaves, he is quite unable to say just what the "something" was. But the feeling of a deeper, inner richness, a renewed outlook on life, a new supply of knowledge, and abundance of friendships . . . these are only a few of the things he takes with him when he leaves. Some people come to Pfeiffer and find their life's partner, many find Christ . . . everyone finds new knowledge and new friendships.

On the following pages, we present to you only a few of the highlights of a year at Pfeiffer — a year of advancements for the college and for everyone privileged to attend this institution.

from The Panther 1955

The best gift is oneself. We dedicate the 1982 CHIMES to Dr. Cameron West for his dedication and support.



Happenings

"Life is not dated merely by years. Events are sometimes the best calendars."

— Benjamin Disraeli

HOMECOMING 1981

Homecoming is one of Pfeiffer's most celebrated traditions. It is a time of reuniting old friends and meeting new ones. It is a time of showing off the kids and remembering the good old days.

Homecoming for the Alumni is full of fun, but for today's Pfeiffer Student a lot of work goes into preparing for all of the activities, however, even the work is enjoyable and in the end everyone has a terrific time.

The theme this year was "Days of Wine and Roses," which brought an air of romanticism to the campus. Entertainment at the dance was provided by Fat Ammons, and the excitement of the homecoming tradition was truly fulfilled again this year.

Alumni frequent Pfeiffer during Homecoming.

Old friends reuniting.

Profit-making booths are plentiful at the Homecoming Carnival.

Clowning Around

Deans Moury and Oliver address student complaints.

Another part of the Homecoming tradition is the parade. This year's parade was one of the best because of a lot of hard work.

The senior members of the Homecoming Court this year were: Susan Birmingham, Patti Troxler, and Cindy Shumate. Susan was crowned queen during halftime of the Soccer game.

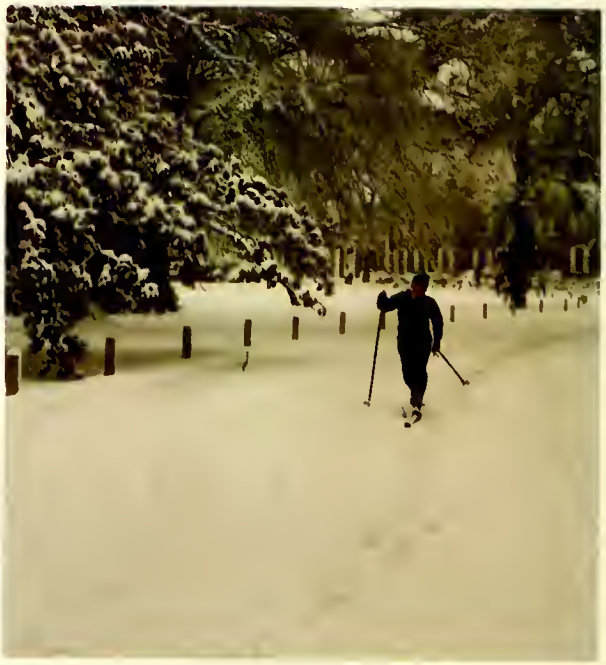
Senior members of the Homecoming Court are from left to right: Cindy Shumate, Susan Birmingham, and Patti Troxler.

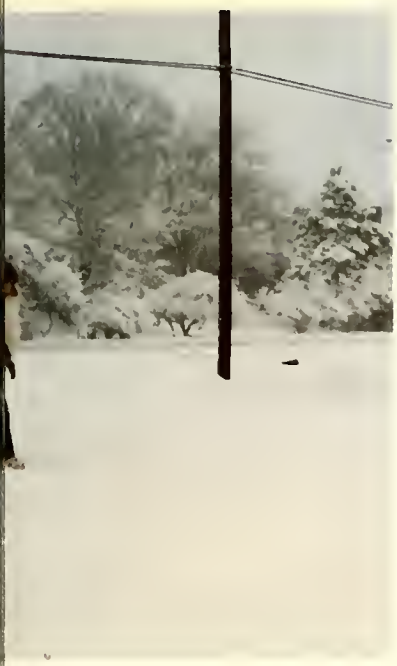
Susan receives a congratulatory kiss from her fiancé, Mark O'keefe.

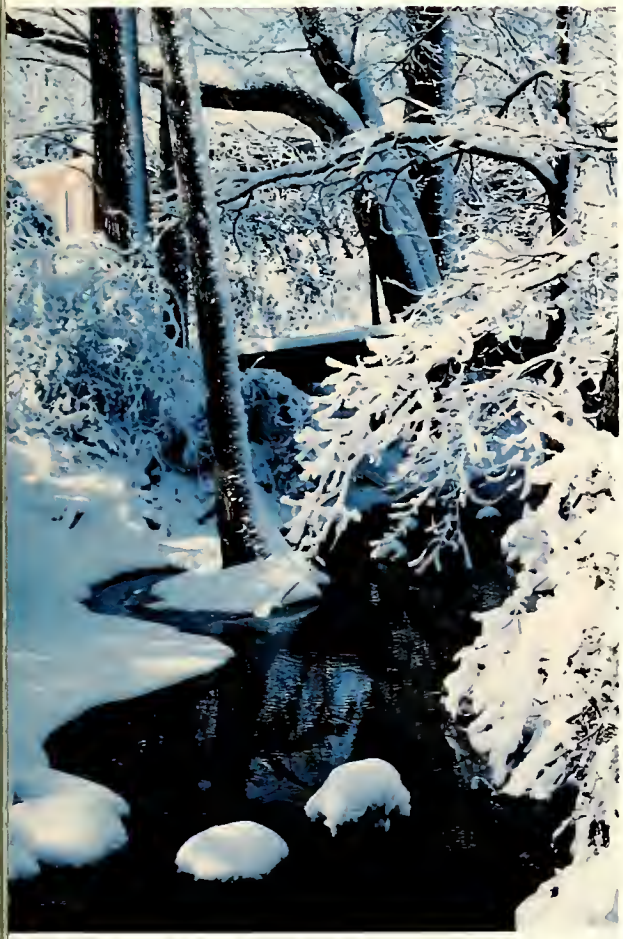
Pfeiffer's Winter Wonderland

There is a quiet serenity about Pfeiffer when it is covered in a blanket of fresh fallen snow. The beauty and cleanliness of the campus seem to sparkle. And, although it is a picture of peacefulness, it is also a place for snowball fights, a quiet walk with a good friend, and, yes even cross country skiing.

Pfeiffer truly is a winter wonderland!







APRIL FESTIVAL 1982

This year's April Festival was very enjoyable despite the rainy weather. The theme was Tropical Magic and the entertainment for the dance at Fiber was the Castaways. On Saturday, there was a Luau which was sponsored by the cafeteria, and the CUB sponsored a Pool Party on Sunday. These were added attractions and could not have been possible without a lot of hard work and dedication.

PFEIFFER

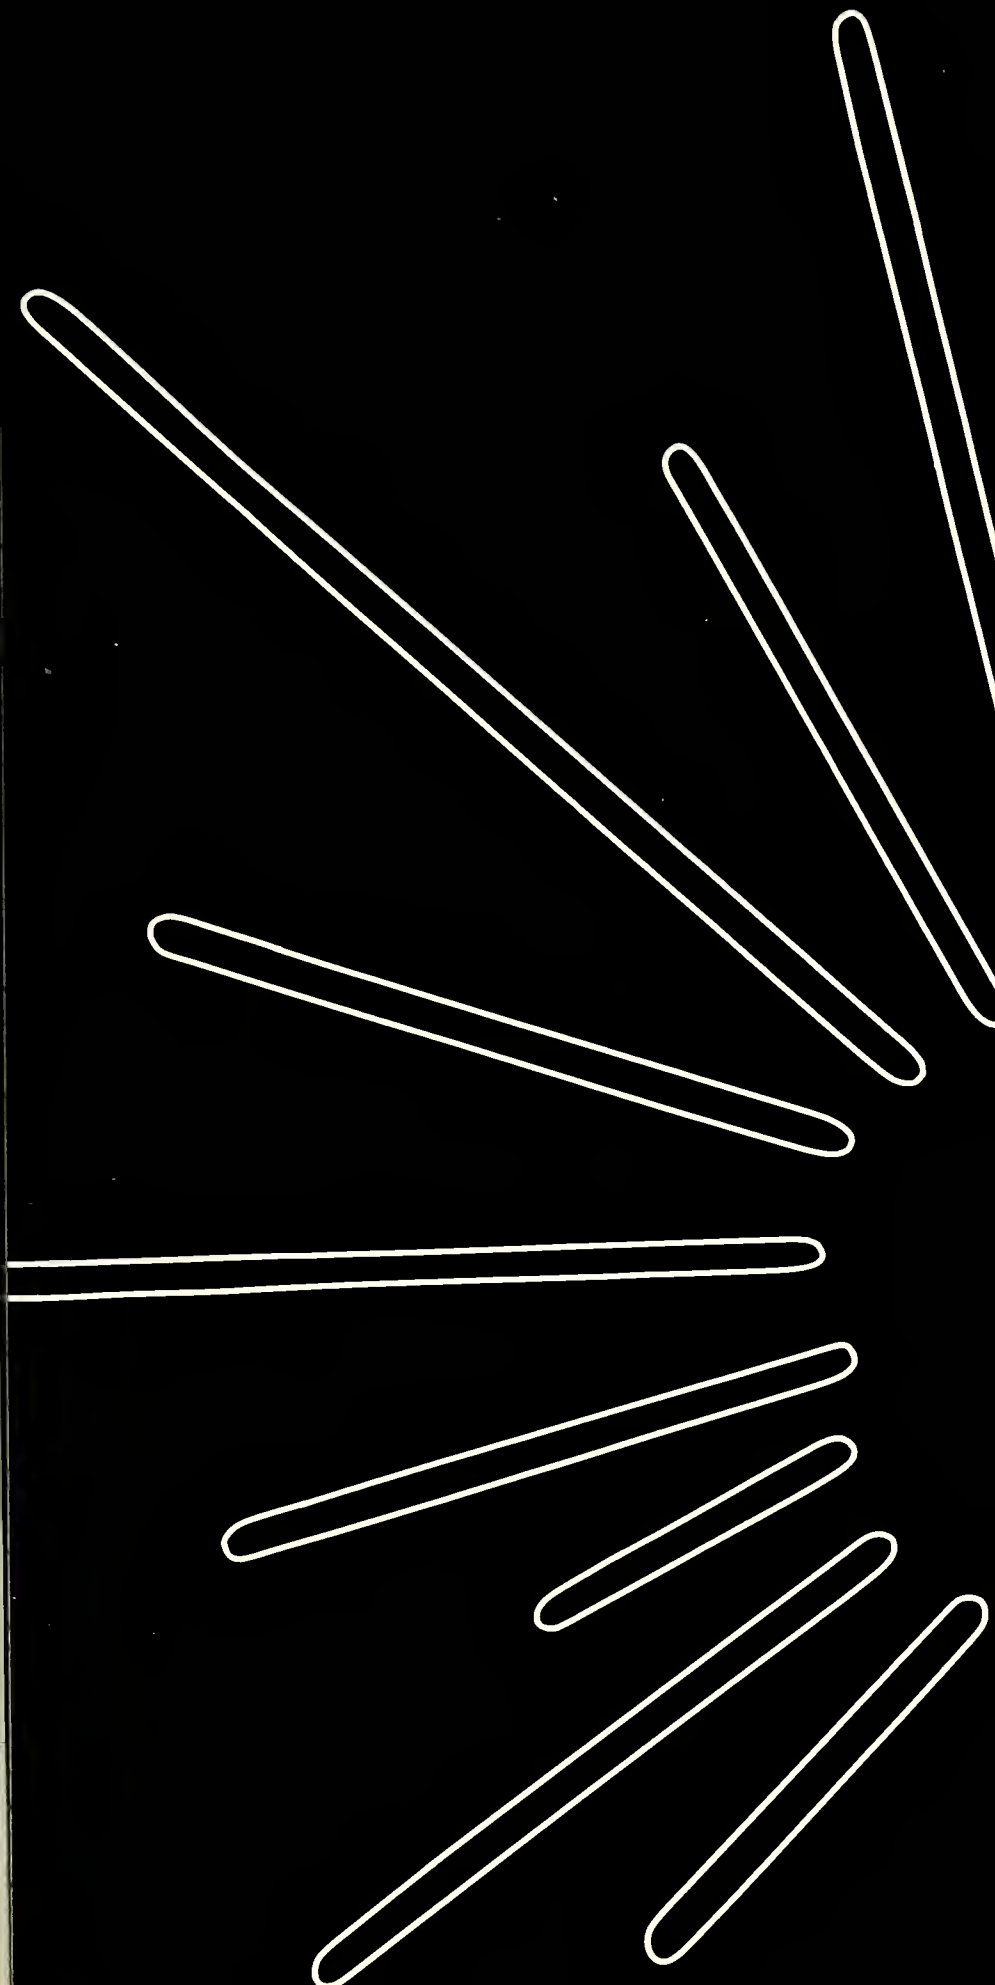
Crowning of the queen had to be moved inside the gym due to rain. This year's senior representatives were Karen Meeks, Debbie Rudisill, and Kim Macey.

Devera Edwards, the reigning April Festival queen, made it back to crown Miss Karen Meeks, who was escorted by her father, the 1982 April Festival Queen.



Drama

"the concious utterance of thought, by speech or action, to any end."

— Emerson

YOU CAN'T TAKE IT WITH YOU

The Pfeiffer Theatre's 1981-82 season literally "got off with a bang" with the Moss Hart and George S. Kaufman comedy YOU CAN'T TAKE IT WITH YOU. In his first year at Pfeiffer College, Director of Theatre, Fred Salancy, with a dedicated cast, was instrumental in bringing to life the hilarious and zany antics of the Vanderhof-Sycamore family, who found their daily lives centered around playwrighting, ballet dancing, snake collecting, and fireworks manufacturing, to name a few. YOU CAN'T TAKE IT WITH YOU proved that theatre was once again "alive and well" on the Pfeiffer Campus.

BRIGADOON

The Broadway Musical found its way back to the Pfeiffer Theatre after a five year hiatus marking the Theatre Program's new emphasis on performance and musical theatre. The Alan Jay Lerner and Fredrick Loewe classic, BRIGADOON, with the enthusiasm of over seventy Pfeiffer students, faculty, and staff played to packed houses as the mysterious Scottish village magically appeared on stage during the Spring Semester. BRIGADOON reaffirmed our belief that, "anything is Possible . . . even miracles."

The CUB really broadened the school's entertainment this year. Besides the weekly movies provided the CUB sponsored shows by Hypnotist, Ken Weber (upper right) and concerts by local talents, Mike Cross (middle right) and Vernon Hall (lower center). We sincerely appreciate the CUB's efforts and hope that everyone continues to support them.

Kneeling: Jackie Wiest and Karen Oakley.

Coach Briggs' 1981-82 women's field hockey team captured the first ever national championship for a Pfeiffer athletic team.

The Falcons defeated Bentley College, of Mass., 5-3 to take the NCAA Division II Field Hockey title, which was the first NCAA Field Hockey Championship ever.

The Falcons were 9-4-3 on the year and were ranked #1 all year in the NCAA polls. All of their losses were to NCAA Division I schools. The Falcons defeated Carolina 1-0 at home. Freshman, Karen Oakley, a goalie from Bridgewater, Mass., led the Falcons with 4 shutouts in a row, recording 5 on the year.

Sophomore, Carol Whitehouse, paved the way in the championship game, scoring 4 of the 5 goals scored by the Falcons.

The Falcons got into the championship game by defeating Chico State California 1-0 on a goal by freshman Roseann DeTommasso with just minutes in the game.

Coach Childress' 1981-82 Men's Basketball Team had an above average year as they finished 2nd in the Carolina Conference, after leading it most of the season. The Falcons played tough year-round, beating nationally ranked Catawba on the road and losing to nationally ranked Limestone by only five.

They played Division I Opponent, Appalachain St close, leading most of the way before losing by a single point.

William Milteer and Ronald Stanley made the Conference and District Player of the Week, and later both were named to the All Carolinas Conference Team. Milteer placed 2nd in the league scoring, while Stanley ranked among the top rebounders in the conference.

Coach Childress walked off with Coach of the Year honors for his outstanding efforts.

Coach Ingram's Women's Basketball Team ended the season with a 7-15 record, but played better than their record indicates. They lost by two points to Gardner-Webb and Atlantic Christian away, before defeating both of them on their home court. A 3 point loss to High Point and a 7 point loss to AIAW powerhouse Lenoir Rhyne was also Included. The loss to Elon in the Conference Tournament was bitter. The Falcons led the 17th ranked Elon team throughout most of the 2nd half before falling behind to lose by a close 8 points.

Livia Adams, a 5'9 forward from Asheville paced the Falcons and was named to the All Carolinas Conference Team.

Senior Messages

To the Graduate:

The people in our hearts
Lie near:
We may disappear in time
Yet leave them not.
We will be here
When chapel bells chime,
Or trees shed leaves of autumn
Or we again hear
Some familiar name.
Do not say;
"I am leaving Pfeiffer."
It lies forever close —
Holding the brightness of youth,
The calm of the lake,
And the joy of friendships
forever present.

Rachel Frances Miller

On Being Graduates

It's no longer ice cream and cake.
"Ain't no Mama's Babies Allowed"
And once you have crossed over,
There is no turning back.

It's your life.
Like clay in your hands.
Shape it.
Mold it.
Watch it grow.

Take the folded memories
Put 'em in your back pocket.
They are yours to keep.

PFEIFFER COLLEGE YEARBOOK

To the Faculty, Staff and Students:

I would like to say that I am very pleased with this year's book, however, I do hope that it will produce more enthusiasm toward the yearbook and all of the media here at Pfeiffer.

I did have a larger staff this year, but I would like to see it continue to grow in number and individual skill.

I would like to thank Dr. Echols, our advisor for his valuable advice; Les Howell our representative, for all of his time on the book and Dean Boone for his understanding and guidiance. I would also like to thank Teresa Harrison and Carolyn Huskins for their individual time.

To everyone at Pfeiffer, I wish a wonderful year and I hope that this yearbook will help make this year and years to come a lot brighter!

Truthfulness

Every friendship that lasts is built of certain durable materials. The first of these is truthfulness. If I cannot look into the eyes of my friend and speak out always the truthful thought and feeling with the simplicity of a little child, there can be no real friendship between us. Friends who have to be "handled" or "managed", or with whom we take refuge in fencing or posing, do not know the love that casts our fear. "Trust is the first requisite for making a friend," says Hugh Black, "faithfulness is the first requisite for keeping him"; and trust and faithfulness cannot endure without truthfulness.
